THE LAKES INTERNATIONAL COMIC ART FESTIVAL WINDOWS TRAIL

SATURDAY 30 SEPTEMBER UNTIL FRIDAY 20 OCTOBER 2017

The Windows Trail is the best way to discover Kendal at the same time as finding out more about comic art.

Our fifth festival sees our fantastic fifth Windows Trail harnessing the imagination and creativity of a whole range of artists showcasing their own work and revealing what's on offer in the businesses across our home town. We hope you will agree that it's an exceptional set of window displays and that Kendal is no ordinary market town.

We've teamed up with a diverse range of artists to create the windows, including nursery groups, schools, colleges and community groups from across South Lakeland as well as artists from across the country.

Highlights from our professional artists include Bryan Talbot's exceptional window in St John's Hospice Furniture Shop and Charlie Adlard at The Factory Tap. Both artists are huge supporters of the festival and we are honoured to have their work in the Windows Trail.

Look out for a special window in Pizza Express, created by Marc Jackson, a new discovery for the festival who produces energetic, addictive and wonderful comics for kids (of all ages)! This year the Windows on Comic Art Trail will have a range of fabulous prizes for the different categories in the trail.

Categories in the competition are:

The People's Vote Best School/College or Group Window Best Artist Window

The judging will take place in two ways – by a public vote and by a judge appointed by the festival.

We want to know which window is your favourite, so please cast a vote in The People's Vote. Before the festival, slips can be found in the individual trail leaflets and you can post your vote in the box at the Brewery Arts Centre. During the festival weekend you will find slips at the Brewery Arts Centre or Comixology Clock Tower where the ballot boxes will be. Make sure you cast a vote by 6pm on Monday 16th October when the voting closes. Special thanks to Iridium who supply our Best Artist prize.
